Student Details

Name - Akshar Tiwari

ID No - 2018AAPS0341G

PS Instructor - Dr. Nirankush Dutta

Week: May 19th, 2020 – May 24th, 2020

Plan for the Week:

1. Attending the webinars.
2. Researching and knowing more the company.
3. Watching the videos uploaded on Canvas.

Learning Outcomes of the Week

About the PS 1 Station

1. Good2Give is an Australia based not-for-profit organization, which makes it easy for businesses and donors to support the communities and to donate.
2. They also provide education, and all the earnings of the courses provided, goes towards charity.
3. Currently they aim to deliver \$ 300 million to charitable communities by 2022.

About the Project Domain

1. Our project is with Love Without Boundaries, which is an U.S.A. based NGO that aims at providing free services to under- privileged children around the world by donations and partnerships .
2. Currently Love Without Boundaries is working selflessly in countries like Cambodia, China, India and Uganda.
3. They work to provide education, foster care, healing homes, human trafficking aid, medical care, nutrition and adoption for the under-privileged.

Skills Gained (Technical as well as soft skills)

1. Got to learn a lot in the field of finance and management through the webinars conducted daily.
2. I am currently learning to code in python by watching the videos uploaded on Canvas.

3. I have learnt a lot about advanced excel through the videos uploaded.

Major Learning & Project Milestones

1. No projects have been allotted yet because we are yet to establish direct communication with the firm due to the cyclone affecting many areas of West Bengal.

Major Challenges

1. Establishing direct communication with the firm.

Work Plan for Next Week

- To establish direct communication with the company professionals.
- To start working on the allotted project after the individual projects are assigned.
